

All-natural ingredients, Contains over 70 micronutrients, 3 natural growth hormones, and essential organic compounds.

Supplements the natural biological process of the organic turnover in the soil. Rizosphere establishes a relationship between the fungi contained in Rhizosphere ag and the soil bacteria in organic soil recycling.

Feeds and nourishes soil bacteria that communicate and create naturally what the plant is requiring for strong healthy growth. Works faster than residues in the soil's stimulation decomposition of organic materials and assisting growth hormones to enter the plant molecules faster and with less resistance.

Rizosphere Ag increases better germination, grows more vigorously, deeper root growth, healthier, reduced fertilizer needs, increased yields. Reduced shock for plantings, faster rooting, increase in heat tolerance. Faster growth and greener thicker blades and increase fruit crop production, flowering, and overall health of soil eco-system.

# RIZOSPHERE<sup>AG</sup>

MADE WITH NATURAL INGREDIENTS

## A NUTRIENT FERTILIZER SOIL BUILDER AND PLANT FOOD 3 - 3 - 3

### Minimum Guaranteed Analysis

Total Nitrogen (N).....	3%
Urea Nitrogen .....	3%
Soluble Potash (k20).....	3%
Phosphate Total (P205).....	0.10%
Manganese.....	0. 1%
Zinc .....	0.01%

Aerobic Plate Count 2,700,000 cfu/g Builder Aerobic Plate Count 17,000 cfug • Kelp Extract

**KEEP OUT OF REACH OF CHILDREN  
DO NOT FREEZE**

Net Weight: 128 fl-oz. Concentrate • Treats up to 10 acres

### FERTILIZER SOIL AND PLANT FOOD

Made from lactating dairy cow compost manure, Rizosphere AG™ uses a multi-stage fermentation process to extract essentials from the manure. These essentials are fortified with compound organic substances from kelp concentrate for super plant and soil health.

From Concentrate:  
Rizosphere AG™ may be applied by ground or air. If applied by air, use 6 to 10 gallons of water per acre. If applied by ground, use 5 to 25 gallons of water per acre. For greenhouse and garden, simply dilute 12 to 13 fl.oz. per gallon. Use sufficient water to cover surface completely.

Dispose of waste material in accordance with federal, state and local environmental laws and regulations.

Storage  
Keep container sealed tightly when not in use. Keep product in a cool location away from direct sunlight. Store in temperatures between "5 C" and "25 C".

### FIRST AID

Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Skin: Wash with soap and water. In all cases, patient seeing a physician should follow emergency procedures. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

### LIMITED WARRANTY & LIMITATION OF REMEDIES:

Guarantor warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated for use under normal conditions, but makes no other warranties of FITNESS or MERCHANTABILITY expressed or implied, or any other warranty if the product is used contrary to the label instructions or under abnormal conditions not foreseeable to the seller. In no case shall the seller be liable for more than the cost of the product to the buyer, and will in no event be liable for any consequential, special or indirect damages connected with the use or handling of this product. This product is offered and the buyer or user accepts it subject to the foregoing terms which may not be varied.

SHAKE WELL BEFORE USE
